

GTCF New Board Orientation

Thursday, January 16, 2025, 12p-2p

GTCF Board Room

ORIENTATION PURPOSE: Engage new members in the organizational strategy that Board Members govern to give context and meaning to the first-year onboarding process.

KEY MESSAGE: The first year of GTCF Board membership is a year-long learning journey where new members build knowledge of the unique role of GTCF, the operations of a community foundation, and the broader philanthropic sector while GTCF learns what new members can uniquely contribute from their lived experience to GTCF’s mission and vision in Pierce County.
