GTCF COMMITTEE BEST PRACTICES

- Each committee works in coordination with the President & CEO of GTCF and their staff.
- Each standing or ad hoc committee is chaired by a member of the GTCF Board of Directors (BOD).
- Committee members will be provided a video or teleconference link for all committee meetings so that they may participate, even when not available to attend in person.
- Members of the GTCF BOD who are not an official committee member are welcome to attend any committee meeting, as a guest, with the understanding they are not voting members of the committee.
- Decisions/recommendations from the committees to the GTCF BOD or EC are made via consensus. When consensus is not possible, a majority vote of the committee members is reported for the Board or EC consideration.
- An agenda is developed prior to each meeting and distributed to all committee members in advance of the meeting. The chair ensures minutes are prepared and routed to committee members for review.
- Committee Minutes or reports are provided at BOD meetings to keep the Board informed of key committee decisions or actions.
- New Committee members are recruited and vetted by the Committee Chair.
