

Advisors Invited to Embark on 10-Month Philanthropy Certification

Greater Tacoma Community Foundation is excited to host another study group for the Chartered Advisor in Philanthropy® designation starting September 2022. Experienced wealth advisors, estate attorneys, tax advisors, private family foundation members, philanthropic advisors and fundraising professionals are encouraged to register. The [Chartered Advisor in Philanthropy®](#) or CAP® is a 10-month program offered through The American College and provides seasoned professionals with the knowledge and tools to help clients articulate and advance their highest aspirations for self, family and society.

This graduate-level class is focused on advancing philanthropy in local communities through a rigorous curriculum that focuses positive social impact when determining clients financial and estate planning goals.

Leading the charge with this effort is GTCF Senior Director of Philanthropic Services, Evelyn Ryberg, along with Dean Carroll, Executive Director of Pierce County Library Foundation.

The CAP® course is part of the Foundation's overarching efforts to provide high-quality philanthropic advising services to donors and our partnering professional advisors in the community. We offer a full spectrum of giving vehicles ensure our donors have an enduring legacy and their community dreams and goals are achieved.

If you are interested in taking part in the CAP® program in the future or if you have questions about making a philanthropic gift to our community, please contact [Evelyn Ryberg](#).
