**At Greater Tacoma Community Foundation, we are committed to providing donors with the tools and resources they need to achieve their philanthropic vision. We offer donors the flexibility to recommend their own Investment Advisor for their donor-advised fund (DAF). This customized investment approach allows donors to retain the expertise and relationship of their trusted Investment Advisors while receiving GTCF's unique insights and philanthropic resources to support their charitable vision.**

### THE EXTERNALLY MANAGED FUNDS PROGRAM ALLOWS YOU AND YOUR CLIENT TO:

- + Keep charitable assets under the management of their current investment advisor, subject to GTCF's approval
- + Access GTCF's valuable charitable planning, due diligence, and grant administration services
- + Access personalized philanthropic advising and deep community knowledge
- + Avoid the restrictions and administrative burdens of setting up a private foundation

### HELP YOUR CLIENT MAKE A DIFFERENCE

Greater Tacoma Community Foundation's Philanthropic Services team specializes in connecting donors with the nonprofits and community projects that best match their goals and interests. With the Externally Managed Funds Program, Investment Advisors partner with GTCF to achieve their client's unique charitable vision.

### HOW IT WORKS

Your client can establish an Externally Managed Fund by recommending an Investment Advisor to manage donor advised fund assets of \$500,000 or more. GTCF's Investment Committee and staff qualifies the recommended Investment Advisor after reviewing the advisor's credentials and the proposal for investment management.

Once the Externally Managed Fund is established, the Investment Advisor develops a portfolio aligned with GTCF's investment policies and their client's investment preferences and time horizons, with the goal of growing those assets for their client's philanthropic investments.

All donors have 24/7 online access to review their fund balances and recommend grants through GTCF's donor portal. They also have a dedicated member of the Philanthropic Services team at GTCF to answer questions and offer insights and assistance with grantmaking.
