

Freelance Writer Request for Information

Overview

Greater Tacoma Community Foundation seeks writer(s) to support monthly and annual content development.

Our goal is to share lessons about what it takes to build and strengthen community in Pierce County as well as information about GTCF initiatives. Writing will be used in collateral including an annual yearbook, newsletters, initiative insights, and pamphlets.

Stories for the newsletter and yearbook should run 350-550 words, based on interviews with assigned subjects. Pamphlets require a marketing approach to writing. Initiative insights will benefit from a writer with journalistic experience.

Through engaging and informative content, we hope readers will discover that GTCF is a valuable resource for people who help make Pierce County a great place to live.
